"The first day in Xiamen we went to see the 2017 BRICS XIAMEN SUMMIT venue, where some of the world's most powerful leaders met. Amazing!"

Student Ambassador **Aaron G.:** 3 Years of Chinese Studies

"We really enjoyed our hosts because they made us feel at ease and were really nice. Authentic Chinese food is the best!"

"In the camp, I met a bunch of kids around my age, from all over the world, from New Zealand to Scotland, who I am now good friends with and that I hope to see again in the future."

Student Ambassador **Alexander G.:** 4 Years of Chinese Studies

"In China, I could feel myself getting more confident speaking Chinese with every interaction I had. I would like to thank the Baltimore Sister Cities, Inc. for hosting such a great program."
